

# Arsenal Needs Electricians for Maintenance Duty

Announcement was made today by the commanding officer, Joliet Arsenal, that electricians with experience as linemen are required immediately to fill existing vacancies at the arsenal.

Employees selected for these positions will be required to perform all necessary maintenance on the existing high voltage distribution systems and to extend or alter present power and lighting facilities when necessary. Applicants should have a minimum of four years of practical experience in all phases of construction and maintenance of high voltage powered lines. Age limits for these positions are from 18 to 62, but do not apply to persons entitled to veteran preference.

**THE STARTING** rate of pay for these positions is \$1.30 per hour, based on the standard federal work week of 40 hours, with opportunity for periodic increases up to a maximum of \$1.58 per hour. Additional compensation is provided for night work and for any authorized overtime worked in excess of the 40-hour week. In addition, employees accumulate annual or vacation leave totaling 26 days yearly, and sick leave amounting to 15 days each year.

All interested persons may apply at the personnel office, Joliet Arsenal, or forward to that office a completed application Form 60. These forms may be obtained at

any first or second class post office.
